Real estate has always required debt and equity to get your deals done. As projects get larger and more complex, real estate developers and investors continue to get more creative and seek additional sources of funds.

Join our expert panel to learn about new and changing forms of equity being used today and tomorrow to complete the capital stack. In addition to the topics listed by each panel member, we will discuss the use of PACE financing to reduce the cost of equity for specific development projects.

Come listen and discover these exciting new forms of equity.

**Moderator:** Neil Freeman, Chairman, Aries Capital & REIA Director

**Panel:** Quintin Primo, Chairman, Capri Capital (Opportunity Zones)  
Karen Przypyszny, Managing Director, National Equity Fund (LIHTC)  
James Jann, Principal, JAB Real Estate (Family Offices)  
Sal Tarsia, Managing Director, Hannon Armstrong Sustainable Real Estate (PACE)
